PROFESSIONAL SUMMARY

Dynamic Android Developer with hands-on experience in Kotlin and Jetpack Compose, proficient in building robust and scalable applications. Strong background in object-oriented programming, data structures, and algorithms, complemented by effective problem-solving skills. Proven ability to manage projects from concept through execution, leveraging Git and GitHub for version control. Committed to continuous learning through industry-recognized certifications and practical application development.

SKILLS

Jetpack Compose, Coroutines, Kotlin, CPP, Data Structures and Algorithms, Object-Oriented Programming, Problem-Solving, Git, GitHub

EXPERIENCE

Self-Employed

05/2026 - 07/2026

Android Developer

- Developed a task management application using Kotlin and Jetpack Compose, achieving stable release v1.0.0.
- Implemented user authentication and deadline tracking features, enhancing usability for over 100 users.
- Designed application architecture based on Repository pattern, improving data handling efficiencies.
- Created reusable UI components adhering to Material Design principles, enhancing user experience.
- Utilized Git and GitHub for project management, ensuring versioned releases and successful pre-release testing.

Self-Employed

07/2025 - 05/2026

Front-End Developer

- Developed a personal portfolio website, significantly improving online presence and showcasing projects.
- Streamlined project access and contact information through a professional interface.

PROJECTS

Student Task Manager App

05/2026 - 07/2026

- Developed a complete Android task management application using Kotlin and Jetpack Compose.
- Implemented features including user authentication and local reminder notifications.

Portfolio Website

07/2025 - 05/2026

- Created a personal portfolio website to showcase Android development projects and skills.
- Included easy access to project repositories and contact information.

ACHIEVEMENTS & CERTIFICATIONS

GitHub Workflow Mastery - Unstop (07/2026)

Jetpack Compose - Android App Development Course with Jetpack - Udemy (07/2026)

EDUCATION

Bachelor of Technology (B. Tech) in Computer Science and Engineering

09/2023 - 05/2027

Modi Institute of Technology

Senior Secondary in Science

Completed in 2022

Bansal Public School, Kota
